

A Holiday Craft to Brighten Any Room

The smallest projects can make the biggest difference. Here's one to bring some holiday spirit to any space in your home.

Supply List

- Krylon® Fusion All-In-One® Spray Paint (2)
- Empty Bottles
- Twine (optional)
- White Script Letters (stickers)
- Holiday Branch Sprays (2)

Instructions

1. Make sure empty glass bottles are clean and free of debris.
2. Apply a light coat of Krylon white spray paint to the bottles.
3. Allow the paint to dry between coats. Repeat until bottles are uniformly covered.
4. Let bottles dry completely (2 hours) while proceeding with Step 5.
5. Using the Krylon red spray paint, paint the scripted letter stickers.
6. Allow letters to dry.
7. Remove sticker backings and apply letters to the painted bottles.
8. Carefully wrap twine around the bottle neck, and tie off or secure with glue. (Optional – not shown)
9. Add holiday branch sprays or greenery of your choice.
10. Share the joy.
